# Early Care and Education Training Records Information System

ECE-TRIS (Early Care and Education Training Records Information System) is an Early Care and Education database created to store and maintain individual training records for Early Care and Education professionals in Kentucky. ECE-TRIS creates an easily accessible, centralized location for training records.

Growing Professionals, Growing Kids

Who will use this program?

- *Licensed, Certified and Registered Child Care Professionals*
- *Kentucky Early Care and Education Credentialed Trainers*
- *Early Care and Education Training Agencies*
- *Cabinet for Health and Family Services Staff*
- *Early Care and Education Partners*

Most importantly, ECE–TRIS will provide 24-hour access to Early Care and Education training records information.
