

Did you know that EC LEARN can bring training to your program for in-person or virtual workshops to fit your needs?

## ONSITE TRAINING PROFESSIONAL DEVELOPMENT BROUGHT TO YOU!

*"The team brought personal experience and perspective to the session. Each trainer offered different perspectives and a unique approach to truly connect with each and every one of the participants." - Program Director*

*"It felt like the trainers cared and were willing to stop and elaborate on parts of the training that held the most meaning to my colleagues and I." - Participant*
